Richard McMunn is a former Fire Officer turned interview coach who has over 20 years experience within the recruitment industry. Safeguarding was highlighted as part of the 2014 Care Act and it is in relation to the protection of a client's health, wellbeing and human rights, whilst also keeping them safe from harm, abuse and neglect. Interviewers expect candidates to show off their knowledge of the company, and what appeals to them about the position they've applied for. On that basis, you need to act with empathy, understanding and patience. Even if they believe you, they might just assume you've only worked in cushy environments.Why Should I Hire You?They're asking for your sales pitch with this one. Those candidates who provide in-depth situational answers will score more highly than those who can only explain what they would do in any given situation. Don't be afraid to be personal. It's kind of meant as an ice-breaker, even if the thought of it makes you shudder. What's your biggest weakness? Suggested answers verified by our panel of interview experts. Whatever the reason...or no reason at all...you can have a full refund if this resource isn't right for you. The role requires an ability to follow rules and procedures, provide outstanding levels of patient care, utilize strong communication skills whilst dealing patients and clients, an ability to work as part of a wider medical team and always striving to work towards the medical organizations/hospital's values and code of conduct.
